COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAXPAYERS MUST FILE A STATEMENT WITH COUNTY ASSESSOR OF ALL TAXABLE PROPERTY, REAL AND PERSONAL, OWNED BY THEM, IN THEIR POSSESSION, OR UNDER THEIR CONTROL ON THE FIRST MONDAY IN MARCH OF EACH YEAR.

This Statement must be made between the first Monday of March and the first Monday of May or upon demand of the Assessor.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July each year to equalize and adjust assessments, and continues in session from time to time until the business of equalization is disposed of but not later than the third Monday in July.

UNSECURED PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to County Tax Collector on the first Monday in March of each year.

THE COUNTY TAX RATE is fixed by the County Board of Supervisors, not later than the first day of September of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on real property are divided into two equal installments; the first installment consisting of one-half of the real estate taxes and personal property on the secured roll is due and payable on the first day in November of each year, becoming delinquent at 5 o'clock p.m. on the tenth day of December of each year. The second installment, or remaining one-half of the real estate and personal property taxes is due February 1st and becomes delinquent at 5 o'clock p.m. on the tenth day of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if desired.

PENALTIES ARE APPLIED. All taxes due November 1st, if unpaid, are delinquent December 11th, 1961, at 5:00 p.m., and thereafter a delinquent penalty of 6 per cent attaches to them. The second half of taxes on the secured roll, if unpaid, is delinquent April 10th at 5:00 p.m., and thereafter a delinquent penalty of 6 per cent attaches to it.

An additional charge of One Dollar is applied to each parcel or extension of taxes unpaid on April 10th, each year.

THE DELINQUENT LIST IS PUBLISHED on or before the eighth day of June each year in a paper, or papers, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

ON PROPERTY WHICH HAS BEEN SOLD to the State for taxes for any year up to and including the year 1960, apply at the office of the County Auditor, Room 152, Administration Building, Civic Center, for the amount necessary to redeem it.

PURSUANT TO LAW, THE COUNTY TAX COLLECTOR WILL, unless the delinquent taxes thereon are sooner redeemed or an installment plan of redemption is initiated as provided by law, deed to the State of California all property delinquent for the taxes of 1956 on or about July 1, 1962, at the Tax Collector's Office, Administration Building, Civic Center, San Diego, California.

PROPERTY DEEDED TO THE STATE for delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Controller.

For further information in regard to tax sales see County Tax Collector.

CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district.

There are also numerous special districts for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform.. These groups are known as Code Areas, and there are approximately 732 such areas in the County.

TAXPAYER'S GUIDE

COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAXPAYERS MUST FILE A STATEMENT WITH COUNTY ASSESSOR OF ALL TAXABLE PROPERTY, REAL AND PERSONAL, OWNED BY THEM, IN THEIR POSSESSION, OR UNDER THEIR CONTROL ON THE FIRST MONDAY IN MARCH OF EACH YEAR.

This Statement must be made between the first Monday of March and the first Monday of May or upon demand of the Assessor.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July each year to equalize and adjust assessments, and continues in session from time to time until the business of equalization is disposed of but not later than the third Monday in July.

UNSECURED PROPERTY TAXES BECOME DUE ON THE FIRST MONDAY IN MARCH OF EACH YEAR AND ARE PAYABLE ON DEMAND, TO THE COUNTY TAX COLLECTOR.

THE COUNTY TAX RATE is fixed by the County Board of Supervisors, not later than the first day of September of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on real property are divided into two equal installments; the first installment consisting of one-half of the real estate taxes and personal property on the secured roll is due and payable on the first day in November of each year, becoming delinquent at 5 o'clock p.m. on the tenth day of December of each year. The second installment, or remaining one-half of the real estate and personal property taxes is due February 1st and becomes delinquent at 5 o'clock p.m. on the tenth day of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if desired.

PENALTIES ARE APPLIED. All taxes due November 1st, if unpaid, are delinquent December 10th, 1962, at 5:00 p.m., and thereafter a delinquent penalty of 6 per cent attaches to them. The second half of taxes on the secured roll, if unpaid, is delinquent April 10th at 5:00 p.m., and thereafter a delinquent penalty of 6 per cent attaches to it.

An additional charge of Three Dollars is applied to each parcel or extension of taxes unpaid on April 10th, each year.

THE DELINQUENT LIST IS PUBLISHED on or before the eighth day of June each year in a paper, or papers, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

ON PROPERTY WHICH HAS BEEN SOLD to the State for taxes for any year up to and including the year 1961, apply at the office of the County Auditor, Room 152, Administration Building, Civic Center, for the amount necessary to redeem it.

PURSUANT TO LAW, THE COUNTY TAX COLLECTOR WILL, unless the delinquent taxes thereon are sooner redeemed or an installment plan of redemption is initiated as provided by law, deed to the State of California all property delinquent for the taxes of 1957 on or about July 1, 1963, at the Tax Collector's Office, Administration Building, Civic Center, San Diego, California.

PROPERTY DEEDED TO THE STATE for delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Controller.

For further information in regard to tax sales see County Tax Collector.

CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district.

There are also numerous special districts for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform. These groups are known as Code Areas, and there are approximately 797 such areas in the County.

e to State for taxes

If a year date appears on the face of the tax bill on the line reading "Date First d to the State for Taxes" (a term established by State law) it is an indication that tal or partial tax was unpaid for the year shown, and for which the State acquired en on June 30, the close of that fiscal year.

The sale to the State takes place on or about June 30 of each year, and taxpayers e five years from the date of sale in which to pay their taxes before the property eeded to the State of California for delinquent taxes.

The sale to the State does not deprive the owner thereof of title or possession the sale by the State after tax deed does deprive the owner thereof of such right title. The sale of deeded property usually occurs when application is made to Tax Collector to sell at public auction.

Redemption penalties

If taxes are unpaid after sale to the State, the owner will be obliged to pay a redemption penalty thereon, at one per cent a month for the first year of delinquency then one-half per cent a month to the time of redemption, plus a redemption fee. The date of sale to the State varies from year to year falling between June 28 and June 30.

On each subsequent year of delinquency the owner will be obliged to pay one per cent a month on that year's delinquency and one-half per cent a month to the time of redemption. Penalties are imposed on the first day of each month.

Redemption of delinquent property

After the sale to the State, to ascertain the amount necessary to redeem property delinquent in the payment of taxes, contact the County Auditor and Controller, Tax Redemption Section, Room 152, Administration Building, Civic Center, San Diego 1, California. Property may be redeemed by installment payments. The following paragraphs describe the partial payment plan of redemption.

PARTIAL PAYMENT PLAN OF REDEMPTION

A person may elect to pay delinquent taxes in installments at any time prior to the deed to the State. Election to pay delinquent taxes in installments is made by payment, in the same manner as a redemption of twenty per cent, or more, of the redemption amount.

All current taxes and penalties coming due in each fiscal year must be paid in full not later than April 10 to keep the plan in effect.

Upon failure to make any of the payments as required, the right to continue unde this plan is forfeited. Credit for payments made, exclusive of interest, may be had if within five years a redemption is made or another partial payment plan is institute This latter, however, cannot be instituted until July 1 of the second succeeding fiscal year after that in which such default occurs.

As long as payments are kept up, the property will not be subject to being deede to the State for taxes.

PROPERTY DEEDED TO THE STATE AND SALE AFTER SUCH DEED

Deed to State

A deed covering the property will be issued to the State five years after the prop erty was sold to the State.

Sale of property deeded to the State

Property deeded to the State for delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Co troller.

For further information in regard to tax sales contact the County Tax Collector.

TAX CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property o school districts. Tax rates levied vary in each of such districts in accordance h the valuations and requirements of the district. In addition to school districts, re are also numerous special districts and thirteen incorporated cities for which rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classi- l into groups wherein the various rates are uniform. The area in which property ocated determines the taxing agencies (districts) for which taxes are levied. r identification purposes, these areas are known as TAX CODE AREAS. There approximately 825 such areas in the county.

Taxes levied do not have a common tax base. Some taxing agency rates are ied on LAND valuations only; some are levied on both LAND AND IMPROVEMENTS ilding) valuations; and others are levied on all property valuations, LAND IM- OVEMENTS, and PERSONAL PROPERTY. Exemption allowances are not allowed levies on land only, and land and improvements only.

In San Diego County, the following taxing agencies' rates are levied on LAND ues only. Taxes are extended before allowance for veteran's or other exemptions.

California Water Districts
Soil Conservation Districts

The following San Diego County Taxing agencies' rates are levied on LAND AND PROVEMENT values only. Taxes are extended before allowance for veterans' ther exemptions.

Water Conservation Districts
Rancho Santa Fe Maintenance District
Sanitation Districts
Lighting Maintenance Districts

All other tax rates are levied on ALL values (Land, Improvements, and Per- al Property). Taxes are extended after allowance for veterans' or other exemp- s.

In addition to levies on valuations, there may be included in the billing certain ct special assessments which are a flat charge for a particular service. Ex- les of such assessments are sewer service charges, weed abatements and r standby charges.

There are two other valuations on special types of property required by the enue and Taxation Code. These are assessments on intangibles (commonly wn as solvent credits) and aircraft assessments. The rate on intangibles is per $100; the rate on aircraft is 1.5% of market value of the aircraft.

Abbreviations used in succeeding pages are:

L - Land Value only

L & I - Land and Improvements

GENERAL INFORMATION

The property tax is the principal source of revenue for local governments. The authority for this tax is found in the Constitution of the State of California and is supplemented in the Revenue and Taxation Code. Other California Codes and Statutes contain provisions pertaining to the levy and collection of taxes and special assessments collected as taxes.

Taxpayers' filing of property statement

"Every person shall file a written property statement, under oath, with the Assessor between noon on the first Monday in March and 5:00 p. m. on the last Monday in May, annually, and within such time as the Assessor may appoint. At any time, as required by the Assessor, for assessment purposes, every person shall furnish information or records for examination." (Section 441, Revenue and Taxation Code)

Every person who willfully states anything which he knows to be false in any oral or written statement, not under oath, or refuses to give information after proper demand by the Assessor is guilty of a misdemeanor. In addition, failure to furnish information to the Assessor may result in the Assessor penally assessing the property.

Date of assessment

Property is assessed in the name of the person owning, claiming, possessing, or controlling property on the first Monday in March of each year.

Exemptions

All property in this State, not exempt under the laws of the United States or of this State, is subject to taxation. The Constitution of the State of California and certain California Codes contain provisions granting exemption from taxation to certain individuals and entities who can meet the legal requirements. The State Board of Equalization is authorized to prescribe the procedure and forms required to carry into effect the veterans', church, orphanage, college, exhibition or welfare exemptions. To receive this exemption, a claim for the exemption must be filed annually with the Assessor. Affidavits required for exemptions, except the welfare exemption, must be filed with the Assessor between noon on the first Monday in March and 5:00 p. m., on the first Monday in May. Affidavits for the welfare exemption must be filed in duplicate with the Assessor on or before April 1 of each year.

Any person claiming an exemption who fails to follow the required procedures is deemed to have waived the exemption.

Where exemption does not apply

No exemption can be allowed on the property of a person who is not a legal resident of California. Exemption is allowed only from taxes which apply to all taxable property, that is land, improvements and personal. Exemption does not apply to the taxes of certain special districts which taxes are levied only on land and improvements, or land only, nor does the exemption apply to charges such as "Weed Tax", "Sewer Service Charges" or similar special assessment charges collected with property taxes.

Assessment roll and equalization

On or before the first Monday in July, annually, the Assessor must complete the local roll and deliver it to the Clerk of the Board of Supervisors who is ex officio the Clerk of the County Board of Equalization. Annually, on the first Monday in July, the Board of Supervisors meets as the County Board of Equalization to equalize the assessment of property on the local roll. It continues in session for that purpose from time to time, until the business of equalization is disposed of, but not later than the third Monday in July. Persons who wish to apply for a reduction in an assessment must file with the County Board of Equalization a verified, written application showing the facts claimed to require the reduction.

Where assessment information can be obtained

Information pertaining to the valuation of property, unsecured personal property, church and veterans' exemption, changes of assessment, et cetera, should be secured from the County Assessor, Room 103, Administration Building, Civic Center, San Diego, California 92101.

UNSECURED PROPERTY TAXES

Defined

Unsecured property is property, the taxes on which are not a lien on real property sufficient, in the opinion of the Assessor, to secure payment of the taxes. The tax rates used for unsecured property are the same as the rates last fixed on the secured roll before the lien date. Unsecured rates, therefore, are the secured rates levied in the last fiscal year.

When due

Taxes on unsecured property are due on the lien date, the first Monday in March of each year and are payable on demand to the County Tax Collector. In collecting taxes on unsecured property the tax rate used is the rate for property of the same kind on the secured roll last fixed before the lien date for the taxes to be collected.

When delinquent

Unsecured taxes if unpaid are delinquent August 31 at 5:00 p. m. and thereafter a delinquent penalty of eight per cent attaches to them. If August 31 falls on Saturday, Sunday or a legal holiday, the time of delinquency is 5:00 p. m. on the next business day. Taxes due on unsecured property may be collected by seizure and sale of certain property belonging or assessed to the assessee.

Additional penalties

If unsecured taxes are unpaid at December 31 at 5:00 p. m., an additional penalty of one-half of one per cent attaches to them on the first day of each month until paid, or until a court judgment is entered whichever occurs first.

Delinquent unsecured property tax

Delinquent unsecured property taxes are payable at the Office of the Tax Collector, Room 110, Administration Building, Civic Center, San Diego, California 92101.

SECURED PROPERTY TAXES

Defined

Secured property is property, the taxes on which are a lien on real property sufficient, in the Assessor's opinion, to secure payment of the taxes. Most assessments are assessed and appear on the secured roll.

When bills are mailed

Tax bills are mailed annually before the first of November. The mailing of tax bills is for the taxpayers' convenience. It is the taxpayers' responsibility to obtain and pay the tax bill on his property. Failure to receive or obtain a bill does not permit the waiving of delinquency penalties. If tax bills are not received by November 12, a special request for them should be made.

Bills should be checked against real estate holdings before payment to be sure that all have been received. If any bills are received which are for property not owned by the taxpayer, they should be returned to the Tax Collector with an explanation.

Address changes

The Tax Collector should be notified of any change of address to insure accuracy of future mailings. If a change of address is required, the owner should show the new address on the reverse side of the stub. Please leave the stubs attached to the bills.

When payable

Taxes on real estate and personal property assessed with real estate become due and payable to the County Tax Collector as follows: Taxes on real property are divided into two equal installments. The first installment consisting of one-half of the real estate taxes and personal property on the secured roll is due and payable on the first day of November of each year, becoming delinquent at 5:00 p. m. on the tenth day of December of each year. The second installment, or remaining one-half of the real estate and personal property taxes is due February 1 and becomes delinquent at 5:00 p. m. on the tenth day of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due if desired.

How payment is made

Tax bills may be paid by appearing at the Office of the Tax Collector, Room 110, Administration Building, Civic Center, San Diego, California 92101, and tendering payment in cash or negotiable paper or by mailing the payment to the Tax Collector at that address.

When remitting payments by mail to the Tax Collector, tax bills should be enclosed with the stubs attached. The stubs will be retained and the bill will be receipted and returned to the taxpayer. All remittances must be by bank check, draft, post office or express money order. Checks, drafts, and money orders must be drawn for the exact amount of taxes. No change is given on any negotiable paper. The check should be signed and in good order. Stamps will not be accepted in payment.

Before remitting, all tax bills should be carefully examined to see that all property upon which it is desired to pay taxes is listed and properly described.

The Tax Collector acts only as the taxpayer's collecting agent and assumes no responsibility for the loss of any such items or the proceeds thereof in transit or from losses resulting from the failure of any bank used as a collection agency.

Credits may be withheld and receipts retained for a period of a week or more following the deposit of checks by the Tax Collector for collection.

If a check or draft was given in payment of a tax bill, the receipt given shall be void and of no effect should said check or draft be not paid on presentation.

Owing to the deferred credit noted above, payments affecting escrows should be made in cash.

If a remittance to cover a payment required by law to be made to a taxing agency on or before a specified date is sent through the United States mail, properly addressed with postage prepaid, it shall be deemed received on the date shown by the post office cancellation mark stamped upon the envelope containing the remittance.

During the last two or three weeks before the delinquent dates, there is a tremendous rush of mail and window payments at the Tax Collector's office. To avoid congestion, remittance should be sent as soon as possible after receipt of bills.

Payment where bill is lost

If a bill is lost or has never been received, the Tax Collector will prepare a duplicate bill. Property cannot be located by street number. If the taxpayer loses a bill, reference should be made if possible to the tax code area and parcel number shown on the bill for the previous year. If this information is not available, reference should be made to the property as described in the deed or certificate of title. Payment should be made even though the taxpayer does not have a bill, but sufficient data must accompany the payment so that the property can be identified.

Penalties

All taxes on the secured roll due November 1, if unpaid, are delinquent December 10, at 5:00 p. m., and thereafter a delinquent penalty of six per cent attaches to them. The second half of taxes on the secured roll, due February 1, if unpaid, is delinquent April 10 at 5:00 p. m. and thereafter a delinquent penalty of six per cent attaches to it.

After the second half of taxes on the secured roll is delinquent, the Tax Collector must collect an additional charge of three dollars for each delinquent billing unpaid on April 10 each year. The charge is made for the cost of publishing the delinquent list in local newspapers.

DELINQUENT TAXES - SECURED

Delinquent list

The delinquent list is published on or before the eighth day of June each year in a newspaper, or newspapers, authorized by the Board of Supervisors. The list shows the name of the assessee, the description of the property and the total amount due.

Sale to State for taxes ("Stamp" sale)

On or before June 30, at the time fixed in the published delinquent list, the real property on which the taxes, assessments, penalties and costs have not been fully paid shall by operation of law and the declaration of the tax collector be sold to the State.

The sale to the State is indicated on the face of the tax bill. If a year date appears on the line reading "Date First Sold to the State for Taxes" (a term established by State law) it is an indication that a total or partial tax was unpaid for the year shown and for which the State acquired a lien on June 30, the close of that fiscal year.

The sale to the State does not deprive the owner thereof of title or possession but by law he is prohibited from doing any act tending permanently to impair the value of tax-sold property.

Taxpayers have five years from the date of sale in which to pay the delinquent taxes and if the delinquent taxes are not paid the property will be deeded to the State. The deed conveys to the State the absolute title to the property and the State may demand possession of the property, rent it or sell it. The sale of deeded property usually occurs when application is made to the Tax Collector to sell the property at public auction.

Redemption penalties

If taxes are unpaid after sale to the State, the owner will be obliged to pay a redemption penalty thereon, at one per cent a month for the first year of delinquency, then one-half per cent a month to the time of redemption, plus a redemption fee. The date of sale to the State varies from year to year falling between June 28 and June 30.

On each subsequent year of delinquency, the owner will be obliged to pay the delinquent penalties and costs and a redemption penalty of 1% per month for the first year then one-half of one per cent a month to the time of redemption.

Penalties are imposed on the first day of each month.

Redemption of delinquent property

After the sale to the State, to ascertain the amount necessary to redeem property delinquent in the payment of taxes, contact the County Auditor and Controller, Tax Redemption Section, Room 152, Administration Building, Civic Center, San Diego, California 92101. Property may be redeemed by installment payments. The following paragraphs describe the partial payment plan of redemption.

PARTIAL PAYMENT PLAN OF REDEMPTION

A person may elect to pay delinquent taxes in installments at any time prior to the deed to the State. Election to pay delinquent taxes in installments is made by payment, in the same manner as a redemption, of twenty per cent or more of the redemption amount.

All current taxes and penalties coming due in each fiscal year must be paid in full not later than April 10 to keep the plan in effect.

Upon failure to make any of the payments as required, the right to continue under this plan is forfeited. Credit for payments made, exclusive of interest, may be had if within five years a redemption is made or another partial payment plan is instituted. This latter, however, cannot be instituted until July 1 of the second succeeding fiscal year after that in which such default occurs.

As long as payments are kept up, the property will not be subject to being deeded to the State for taxes.

PROPERTY DEEDED TO THE STATE AND SALE AFTER SUCH DEED

Deed to State

A deed covering the property will be issued to the State five years after the property was sold to the State.

Sale of property deeded to the State

Property deeded to the State for delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Controller.

For further information in regard to tax sales contact the County Tax Collector, Room 110, Administration Building, Civic Center, San Diego, California 92101.

TAX CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district. In addition to school districts, there are also numerous special districts and thirteen incorporated cities for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform. The area in which property is located determines the taxing agencies (districts) for which taxes are levied. For identification purposes, these areas are known as TAX CODE AREAS. There are approximately 900 such areas in the county.

Taxes levied do not have a common tax base. Some taxing agency rates are levied on LAND valuations only; some are levied on both LAND AND IMPROVEMENTS (building) valuations; and others are levied on all property valuations, LAND, IMPROVEMENTS, AND PERSONAL PROPERTY. Exemption allowances are not allowed on levies on land only, and land and improvements only.

In San Diego County, the following taxing agencies' rates are levied on LAND values only. Taxes are extended before allowance for veteran's or other exemptions.

California Water Districts
Soil Conservation Districts

The following San Diego County Taxing agencies' rates are levied on LAND AND IMPROVEMENT values only. Taxes are extended before allowance for veterans' or other exemptions.

Water Conservation Districts
Sanitation Districts
Maintenance Districts

All other rax rates are levied on ALL values (Land, Improvements, and Personal Property). Taxes are extended after allowance for veterans' or other exemptions.

In addition to levies on valuations, there may be included in the billing certain direct special assessments which are a flat charge for a particular service. Examples of such assessments are sewer service charges, weed abatements and water standby charges.

There are two other assessments on special types of property required by the Revenue and Taxation Code. These are assessments on intangibles (commonly known as solvent credits) and aircraft assessments. The rate on intangibles is 10¢ per $100; the rate on aircraft is 1.5% of market value of the aircraft.

Abbreviations used in succeeding pages are:

L - Land Value only

L & I - Land and Improvements

OTHER INFORMATION

Except for the City of Coronado, the County Assessor assesses all property for cities within the County of San Diego and the County Tax Collector collects taxes for all cities within the County of San Diego. Taxes for Coronado must be paid to the Coronado City Tax Collector. Information regarding City of Coronado taxes may be obtained from that official.

The County Tax Collector does not collect irrigation district taxes. If your property lies within an irrigation district, requests for irrigation district bills and payment thereon should be addressed to the particular district.

GENERAL INFORMATION

The property tax is the principal source of revenue for local governments. The authority for this tax is found in the Constitution of the State of California and is supplemented in the Revenue and Taxation Code. Other California Codes and Statutes contain provisions pertaining to the levy and collection of taxes and special assessments collected as taxes.

Taxpayers' filing of property statement

"Every person shall file a written property statement, under oath, with the assessor between noon on the first Monday in March and 5 p. m. on the last Monday in May, annually, and within such time as the assessor may appoint. At any time, as required by the assessor, for assessment purposes, every person shall furnish information or records for examination." (Section 441, Revenue and Taxation Code)

Every person who willfully states anything which he knows to be false in any oral or written statement, not under oath, or refuses to give information after proper demand by the assessor is guilty of a misdemeanor. In addition, failure to furnish information to the assessor may result in the assessor penally assessing the property.

Date of assessment

Property is assessed in the name of the person owning, claiming, possessing, or controlling property as of noon on the first Monday in March of each year.

Exemptions

All property in this State, not exempt under the laws of the United States or of this State, is subject to taxation. The Constitution of the State of California and certain California Codes contain provisions granting exemption from taxation to certain individuals and entities who can meet the legal requirements. The State Board of Equalization is authorized to prescribe the procedure and forms required to carry into effect the veterans', church, orphanage, college, exhibition or welfare exemptions. To receive this exemption, a claim for the exemption must be filed annually with the assessor. Affidavits required for exemptions, except the welfare exemption, must be filed with the assessor between noon on the first Monday in March and 5 p. m., on the first Monday in May. Affidavits for the welfare exemption must be filed in duplicate with the assessor on or before April 1 of each year.

Any person claiming an exemption who fails to follow the required procedures is deemed to have waived the exemption.

Where exemption does not apply

No exemption can be allowed on the property of a person who is not a legal resident of California. Exemption is allowed only from taxes which apply to all taxable property, that is land, improvements and personal. Exemption does not apply to the taxes of certain special districts which taxes are levied only on land and improvements, or land only, nor does the exemption apply to charges such as "Weed Tax", "Sewer Service Charges" or similar special assessment charges collected with property taxes.

Assessment roll and equalization

On or before the first Monday in July, annually, the assessor must complete the local roll and deliver it to the clerk of the board of supervisors who is ex officio the clerk of the county board of equalization. Annually, on the first Monday in July, the board of supervisors meets as the county board of equalization to equalize the assessment of property on the local roll. It continues in session for that purpose from time to time, until the business of equalization is disposed of, but not later than the third Monday in July. Persons who wish to apply for a reduction in an assessment must file with the county board of equalization a verified, written application showing the facts claimed to require the reduction.

Where assessment information can be obtained

Information pertaining to the valuation of property, unsecured personal property, church exemption, veterans' exemption, changes of assessment, et cetera, should be secured from the County Assessor, Room 103 County Administration Center, 1600 Pacific Highway, San Diego, California 92101.

UNSECURED PROPERTY TAXES

Defined

Unsecured property is property, the taxes on which are not a lien on real property sufficient, in the opinion of the assessor, to secure payment of the taxes. The tax rate used for unsecured property is the same as the rate last fixed on the secured roll before the lien date. Unsecured rates, therefore, are the secured rates levied for the preceding tax year.

When due and to whom payable

Taxes on unsecured property are due on the lien date, the first Monday in March of each year and are payable on demand to the county tax collector.

When delinquent

Taxes on the unsecured roll as of July 31, if unpaid are delinquent August 31 at 5 p. m. and thereafter a delinquent penalty of six per cent attaches to them. If August 31 falls on Saturday, Sunday or a legal holiday, the time of delinquency is 5 p. m. on the next business day. Taxes due on unsecured property may be collected by seizure and sale of certain property belonging or assessed to the assessee. Taxes added to the unsecured roll after July 31, if unpaid are delinquent at 5 p. m. on the last day of the succeeding month and thereafter a six per cent penalty attaches.

Additional penalties

If unsecured taxes are unpaid at 5 p. m. of the last day of the fourth succeeding month after the six per cent penalty attaches, an additional penalty of one per cent attaches to them on the first day of each month until paid, or until a court judgment is entered whichever occurs first.

Delinquent unsecured property tax

Delinquent unsecured property taxes are payable at the Office of the Tax Collector, Room 110 County Administration Center, 1600 Pacific Highway, San Diego, California 92101.

SECURED PROPERTY TAXES

Defined

Secured property is property, the taxes on which are a lien on real property sufficient, in the assessor's opinion, to secure payment of the taxes. Most assessments are assessed and appear on the secured roll.

When bills are mailed

Tax bills are mailed annually before the first of November. The mailing of tax bills is for the taxpayer's convenience. It is the taxpayer's responsibility to obtain and pay the tax bill on his property. Failure to receive or obtain a bill does not permit the waiving of delinquency penalties. If tax bills are not received by November 12, a special request for them should be made.

Bills should be checked against real estate holdings before payment to be sure that all have been received. If any bills are received which are for property not owned by the taxpayer, they should be returned to the tax collector with an explanation.

Address changes

The tax collector should be notified of any change of address to insure accuracy of future mailings. If a change of address is required, the owner should show the new address on the reverse side of the stub. Please leave the stubs attached to the bills.

When payable

Taxes on real property and personal property assessed with real property together with any assessment, fee or charge to become a lien on land and to be collected with county taxes or other taxes or assessments collected on the secured roll shall be payable to the county tax collector in two (2) equal installments. Half the taxes on real and personal property on the secured roll are due November 1 becoming delinquent at 5 p. m. on the tenth day of December. The second half of taxes on real and personal property on the secured roll is due February 1, and if unpaid is delinquent April 10 at 5 p. m.

The entire tax on the secured roll may be paid when the first half is due. The second half may be paid separately only if the first half has been paid. Unless accompanied by the payment of the second half, payment of the first half will not be accepted after the second half has become delinquent.

How payment is made

Tax bills may be paid by appearing at the Office of the Tax Collector, Room 110 County Administration Center, 1600 Pacific Highway, San Diego, California 92101, and tendering payment in cash or negotiable paper or by mailing the payment to the tax collector at that address.

When remitting payments by mail to the tax collector, tax bills should be enclosed with the stubs attached. The stubs will be retained and the bill will be receipted and returned to the taxpayer. All remittances must be by bank check, draft, post office or express money order. Checks, drafts, and money orders must be drawn for the exact amount of taxes. No change is given on any negotiable paper. The check should be signed and in good order. Stamps will not be accepted in payment.

Before remitting, all tax bills should be carefully examined to see that all property upon which it is desired to pay taxes is listed and properly described.

The tax collector acts only as the taxpayer's collecting agent and assumes no responsibility for the loss of any such items or the proceeds thereof in transit or from losses resulting from the failure of any bank used as a collection agency.

Credits may be withheld and receipts retained for a period of a week or more following the deposit of checks by the tax collector for collection. Owing to the deferred credit, payments affecting escrows should be made in cash. If a check or draft was given in payment of a tax bill, the receipt given shall be void and of no effect should said check or draft be not paid on presentation.

If a remittance to cover a payment required by law to be made to a taxing agency on or before a specified date is sent through the United States mail, properly addressed with postage prepaid, it shall be deemed received on the date shown by the post office cancellation mark stamped upon the envelope containing the remittance.

During the last two or three weeks before the delinquent dates, there is a tremendous rush of mail and window payments at the tax collector's office. To avoid congestion, remittance should be sent as soon as possible after receipt of bills.

Payment where bill is lost

If a bill is lost or has never been received, the tax collector will prepare a duplicate bill. Property cannot be located by street number. If the taxpayer loses a bill, reference should be made if possible to the tax code area and parcel number shown on the bill for the previous year. If this information is not available, reference should be made to the property as described in the deed or certificate of title. Payment should be made even though the taxpayer does not have a bill, but sufficient data must accompany the payment so that the property can be identified.

Penalties

All taxes on the secured roll due November 1, if unpaid, are delinquent December 10, at 5 p. m., and thereafter a delinquent penalty of six per cent attaches to them. The second half of taxes on the secured roll, due February 1, if unpaid, is delinquent April 10, at 5 p. m., and thereafter a delinquent penalty of six per cent attaches to it.

After the second half of taxes on the secured roll is delinquent, the tax collector must collect an additional charge of three dollars for each delinquent billing unpaid on April 10 each year. The charge is made for the cost of publishing the delinquent list in local newspapers.

DELINQUENT TAXES - SECURED

Delinquent list

The delinquent list is published on or before the eighth day of June each year in a newspaper, or newspapers, authorized by the board of supervisors. The list shows the name of the assessee, the description of the property and the total amount due.

Sale to State for taxes ("Stamp" sale)

On or before June 30, at the time fixed in the published delinquent list (the date varies from year-to-year, falling between June 28 and June 30) the real property on which the taxes, assessments, penalties and costs have not been fully paid shall by operation of law and the declaration of the tax collector be sold to the State.

The sale to the State is indicated on the face of the tax bill. If a year date appears on the line reading "Date First Sold to the State for Taxes" (a term established by State law) it is an indication that a total or partial tax was unpaid for the year shown and for which the State acquired a lien on June 30, the close of that fiscal year.

The sale to the State does not deprive the owner thereof of title or possession but by law he is prohibited from doing any act tending permanently to impair the value of tax-sold property.

Taxpayers have five years from the date of sale in which to pay the delinquent taxes and if the delinquent taxes are not paid the property will be deeded to the State. The deed conveys to the State the absolute title to the property and the State may demand possession of the property, rent it or sell it. The sale of deeded property usually occurs when application is made to the tax collector to sell the property at public auction.

Redemption penalties

If taxes are unpaid after sale to the State, the owner will be obliged to pay a redemption penalty thereon, at one per cent a month for the first year of delinquency, then one-half per cent a month to the time of redemption, plus a redemption fee.

On each subsequent year of delinquency, the owner will be obliged to pay the delinquent penalties and costs and a redemption penalty of one per cent a month for the first year then one-half of one per cent a month to the time of redemption.

Penalties are imposed on the first day of each month.

Redemption of delinquent property

After the sale to the State, to ascertain the amount necessary to redeem property delinquent in the payment of taxes, contact the County Auditor and Controller, Tax Redemption Section, Room 152 County Administration Center, 1600 Pacific Highway, San Diego, California 92101. Property may be redeemed by installment payments. The following paragraphs describe the partial payment plan of redemption.

PARTIAL PAYMENT PLAN OF REDEMPTION

A person may elect to pay delinquent taxes in installments at any time prior to the deed to the State. Election to pay delinquent taxes in installments is made by payment, in the same manner as a redemption, of twenty per cent or more of the redemption amount.

All current taxes and penalties coming due in each fiscal year must be paid in full not later than April 10 to keep the plan in effect.

Upon failure to make any of the payments as required, the right to continue under the plan is forfeited. Credit for payments made, exclusive of interest, may be had if within five years a redemption is made or another partial payment plan is instituted. This latter, however, cannot be instituted until July 1 of the second succeeding fiscal year after that in which such default occurs.

As long as payments are kept up, the property will not be subject to being deeded to the State for taxes.

PROPERTY DEEDED TO THE STATE AND SALE AFTER SUCH DEED

Deed to State

A deed covering the property will be issued to the State five years after the property was sold to the State.

Sale of property deeded to the State

Property deeded to the State for delinquent taxes may be sold by the county tax collector at any time upon authorization of the board of supervisors and the state controller.

For further information in regard to tax sales contact the County Tax Collector, Room 110 County Administration Center, 1600 Pacific Highway, San Diego, California 92101.

TAX CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district. In addition to school districts, there are also numerous special districts and thirteen incorporated cities for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform. The area in which property is located determines the taxing agencies (districts) for which taxes are levied. For identification purposes, these areas are known as TAX CODE AREAS. There are approximately 900 such areas in the county.

Taxes levied do not have a common tax base. Some taxing agency rates are levied on LAND valuations only; some are levied on both LAND AND IMPROVEMENTS (building) valuations; and others are levied on all property valuations, LAND, IMPROVEMENTS, AND PERSONAL PROPERTY. Exemption allowances are not allowed on levies on land only, and land and improvements only.

In San Diego County, the following taxing agencies' rates are levied on LAND values only. Taxes are extended before allowance for veteran's or other exemptions.

California Water Districts
Soil Conservation Districts

The following San Diego County taxing agencies' rates are levied on LAND AND IMPROVEMENT values only. Taxes are extended before allowance for veterans' or other exemptions.

Water Conservation Districts
Sanitation Districts
Maintenance Districts

All other tax rates are levied on ALL values (Land, Improvements, and Personal Property). Taxes are extended after allowance for veterans' or other exemptions.

In addition to levies on valuations, there may be included in the billing certain direct special assessments which are a flat charge for a particular service. Examples of such assessments are sewer service charges, weed abatements and water standby or availability charges. Veteran's exemption does not apply to such assessments.

There are two other assessments on special types of property required by the Revenue and Taxation Code. These are assessments on intangibles (commonly known as solvent credits) and aircraft assessments. The rate on intangibles is 10¢ per $100; the rate on aircraft is 1.5% of market value of the aircraft.

Abbreviations used in succeeding pages are:

L - Land Value only
L & I - Land and Improvements

OTHER INFORMATION

Except for the City of Coronado, the county assessor assesses property for all cities within the County of San Diego and the county tax collector collects taxes for all cities within the County of San Diego. Taxes for the city of Coronado must be paid to the Coronado City Tax Collector. Information regarding City of Coronado taxes may be obtained from that official.

The county tax collector does not collect irrigation district taxes. If your property lies within an irrigation district, requests for irrigation district bills and payments thereon should be addressed to the particular district.
